Magic Millions Success

THE MAGIC MILLIONS YEARLING SALE ON THE GOLD COAST is a proven source of champions and their lucrative race series delivers owners with an incredible program of events to cater for a Magic Millions bought yearling throughout their racing life.

"The yearlings we select for the Gold Coast are mature and athletic individuals that have had the very best start to life in the pristine environment of the Widden Valley," said Antony Thompson.

"Not all will be ready to make their mark as pre-Christmas two year-olds, but the evolution of the entire Magic Millions race day as an 'event' means horses can find their niche and often return year-after-year in their target races which range in distance from 1200 to 2400m."

Widden Stud graduates can lay claim to having racked up 13 Magic Millions race wins in the past 10 years, including three of the last nine Magic Millions 2YO Classic winners – DRIEFONTEIN (2012), LE CHEF (2015) and, of course, the spectacular filly SUNLIGHT (2018).

A \$300,000 purchase for Aquis/McEvoy Mitchell Racing/Blue Sky Bstock, Sunlight would go on to be the Champion 3YO Sprinter of her generation and retired as a triple Group 1 winner with earnings in excess of \$6.5 million.

The daughter of ZOUSTAR returned to the Gold Coast sale ring for the 2020 National Broodmare Sale and became the highest priced horse ever sold at auction in Queensland when fetching \$4.2 million to the bid of Tom Magnier.

Her Group 3 winning full-sister SISSTAR is the latest Widden Stud graduate to taste Magic Millions success winning the \$150,000 Magic Millions Classic (1100m) at Ballarat in November, taking her overall earnings to within a whisker of \$400,000.

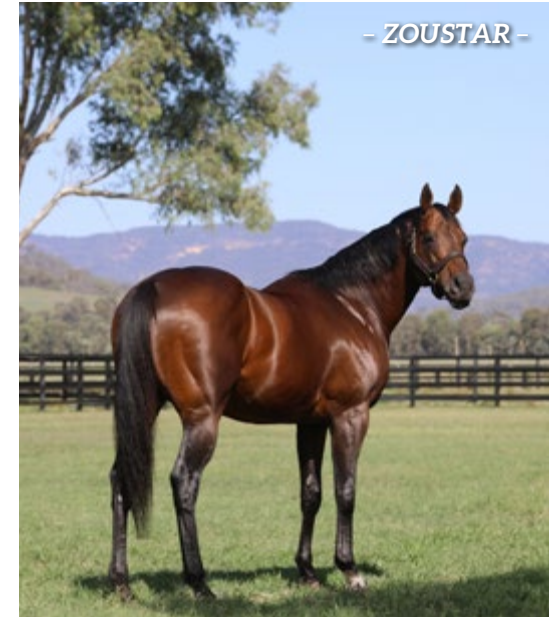

Sisstar is justifying her \$600,000 price tag and promises to deliver more racetrack success as the latter part of the season unfolds.

Widden Stud will present a draft of 45 yearlings at the Gold Coast in 2020 by a diverse group of 23 stallions, although we are proud to state nearly half of the draft is sired by our own stallions headed by ZOUSTAR (10) and SEBRING (5).

Come and begin your quest for Magic Millions success with us at Stable D and E.

– MADAM ROUGE, a \$310,000 MM purchase for Chris Waller and Guy Mulcaster with earnings of \$1.275 million –

– ZOUSTAR –

Zoustar's Success Continues

THE RISE OF NORTHERN METEOR'S CHAMPION SON ZOUSTAR has been one of the most exciting and satisfying chapters in the history of Widden Stud and all evidence would suggest the best is still to come.

The death of Northern Meteor in 2013 after just four seasons at stud was a shocking blow to the Australian bloodstock industry, but in Zoustar he has a sire son that can achieve the long term greatness his father was denied.

The Champion Australian First, Second and Third Season Sire, Zoustar has delivered overwhelming success in terms of stakes-winners, winners and earnings, achieving phenomenal financial gain for his supporters.

His history making trifecta in the Group 1 VRC Coolmore Stud Stakes (1200m) in 2018, when champion filly SUNLIGHT led home his quality colts ZOUSAIN and LEAN MEAN MACHINE, made headlines around the world resulting in the decision to shuttle Zoustar to Tweenhills Stud in the UK.

The rise of Zoustar has been noted by bloodstock experts all over the world.

"Young gun Zoustar is actually top of our A runner index with an impressive 3.45 A Runner. Seven years ago we forecast that Snitzel, then with his first 4 year olds, could become Australia's leading sire, and now we can say the same about Zoustar," Bill Oppenheim stated.

In the sale ring, Zoustar has had four yearlings sell for \$1 million or more and his Magic Millions average in 2020 was \$272,222 with five of his stock selling for upwards of \$500,000.

The current yearlings by Zoustar are the first conceived after his fee was raised from \$44,000 to \$60,500, representing a rise in quality and in number as he covered his biggest ever book in that year.

In the past two years, breeders have recognised an elite sire in the making, so expect to see a second wave of Zoustar success unfolding. At Magic Millions, buyers will have the opportunity to get on board!

2021 – the Last Chance to Buy a Sebring Yearling

TIME IS RUNNING OUT TO BUY A SEBRING YEARLING, but the good news is Widden Stud's much missed favourite will be going out in a blaze of glory in 2021 with yearlings from his final crop conceived from one of the best books of mares he ever covered.

Unlike stallions that pass away in old age, Sebring died in 2019 at the height of his powers at age 13, so his progeny are still telling his story and will do so

for a few more years to come yet.

The Golden Slipper winning son of MORE THAN READY (USA) has proven a tremendous asset for Widden Stud with nearly 70% winners to runners and 7% stakes-winners to runners stamping him as a serious sire to leave a lasting legacy.

His 64 stakes-winners include six Group 1 winners headed by Australian Horse of the Year DISSIDENT and \$7 million earner

– Widden's missed favourite, **SEBRING** –

– Dominate winner of Gr. 3 Vain Stakes, **OUR PLAYBOY**
a \$210,000 MM Gold Coast yearling purchase for Mick Price –

CRITERION, star HK sprinter LUCKY BUBBLES and glamour mares EGG TART, NETTOYER and AMPHITRITE.

Sebring has 38 entries for Magic Millions 2021 and offers equal opportunity for success whether you are shopping for a colt or a filly with his stakes-winners split exactly even between both sexes and, importantly, they have a diverse distance range having been successful from 1000m up to 2400m.

This season Sebring has added three new stakes-winners to his tally in EMERALDS,

BLACK ON GOLD and exciting colt OUR PLAYBOY, who is set to target the \$2 million Magic Millions 3YO Guineas at the Gold Coast in January.

A dominant winner of the Group 3 MRC Vain Stakes during the spring, Our Playboy was plucked from the Widden Stud draft at Magic Millions in 2019 by his co-trainer Mick Price for \$210,000 and is already well on his way to winning back his purchase price with three wins from eight starts.

First Supido Yearlings on Show at Gold Coast

WHILE THE SUN IS SETTING FOR SEBRING with his final yearlings to be offered in 2021, it's all just beginning for his brilliantly fast Group 1 placed son SUPIDO, who is a popular young member of the Widden Stud roster.

Placed in the Group 1 SAJC Goodwood Handicap as was I AM INVINCIBLE, this Group 3 winning speedster has left some eye catching types that will be well worth inspection.
