# VALLEY OF CHAMPIONS

---

As we approach the start of the 2021 breeding season, Widden Stud has never looked better with our picturesque valley now a landscape of emerald green, having recovered completely from the ravages of drought and fire.

The rich fertility and resilience of this land has underpinned the success of Widden Stud through seven generations of the Thompson family and we've now seen firsthand it's capacity to overcome even the most extreme adversity.

The economic uncertainty arising from the pandemic last year has given way to a noticeably improved mindset, with record results at Australian yearling sales buoying confidence and setting the tone for a fruitful stud season.

Widden Stud have taken this opportunity to expand our historic brand into the Victorian marketplace as we embark on a new venture at the previous home of Sun Stud, our first step of this kind outside of New South Wales.

Established Group 1 sires Nicconi and Star Witness have both relocated to Widden Stud Victoria and will be joined by two exciting new sires in dual Group 1 winner Russian Camelot (IRE) and blue-blooded sprinter Doubtland, a \$1.1 million son of Not A Single Doubt.

Bringing fresh blood into the Widden Valley is explosive sprinter Anders, the second son of outstanding sire Not A Single Doubt to join our roster this year. The full potential of Not A Single Doubt as a sire of sires is yet to be tapped and we believe that both of Widden's new acquisitions will contribute to building his legacy.

Our combination of proven sires and promising new stallions is a tribute to progressive thinking and a dynamic team.

# TEAM TRIUMPHS

---

2021 has brought a new round of success for Widden Stud with record-breaking results in the sales ring providing outstanding returns for our many happy clients.

Widden Stud has sold just over 100 yearlings at Australia's major sales this year for an aggregate in excess of \$23 million, rewarding the hard work and patience of our dedicated staff and the loyalty of our supporters time and time again.

We were the second leading vendor by aggregate at Magic Millions, selling 37 yearlings for \$11.7 million at an average \$316,216, and had the distinction of selling the highest-priced yearling on the Gold Coast in 2021.

Our Snitzel colt from Bonny O'Reilly topped the sale when he fetched \$1.9 million to the bid of Tom Magnier and our Zoustar colt from Fuddle Dee Duddle realised \$1 million when he was knocked down to Victorian Alliance, Suman Hedge Bloodstock and David Redvers Bloodstock.

The elite marketplace of the Inglis Australian Easter Yearling Sale also delivered impressive returns with Widden selling 22 yearlings for \$7.72 million at an average of \$350,909.

The most popular of these were two exceptional yearlings that both sold for \$1.25 million – a Zoustar colt from Lady Jivago and an I Am Invincible filly from Veزالay – with the dynamic duo purchased by Matt Laurie Racing and Coolmore/Hermitage.

Auction results and racetrack success tend to go hand-in-hand and the systems we have developed and implemented over many years at Widden Stud continue to deliver the quality outcomes we as breeders strive to achieve.

# SINCE 1867

---

While the history of Widden Stud is already etched in stone, the future offers a wealth of opportunity as we continually seek to improve and enhance one of the world's greatest thoroughbred breeding farms.

Geography and mother nature have bestowed tremendous natural gifts upon Widden, providing a unique environment for the development of young thoroughbreds.

Located on 9000 acres of spectacular horse country in the Widden Valley, our farm features rich alluvial creek flats sheltered by magnificent sandstone cliffs providing pristine and tranquil surrounds.

Being endowed as we are with resources of this quality, our clients know that their horses are receiving only the best that mother nature has to offer, demonstrated by the impeccable results stemming from a Widden upbringing.

The long list of Stakes winners born and raised in these paddocks goes back more than a century, with modern day champions such as Australian Horse of the Year Dissident and Champion 3YO Sunlight supplementing the ranks of these luminaries in recent years.

The creation of Widden Stud Victoria has been a well-considered long term plan that we see as a major asset for the future through the revitalisation of this beautiful property, restoring it to its capacity as a high-end commercial breeding farm.

Having been operated on a private basis over the last few years, the paddocks are well-rested and ready for a busy breeding season with agistment set to play a key role in the new business, as part of the full range of bloodstock services at the quality our patrons have come to expect of the Widden brand.

A sustainable and appealing roster of sires has been assembled to meet the needs of a wide range of breeders, including proven Victorian favourites Magnus and Fiorente (IRE), Hunter Valley Group 1 sires and state racing stars Nicconi and Star Witness as well as exciting newcomers Russian Camelot (IRE) and Doubtland.

We were thrilled with the response from local Victorian breeders at our recent launch and look forward to meeting many more of you as the season unfolds.

## **Widden Stud, Victoria, is exactly that.**

The key systems and processes Widden Stud have used to achieve premium results from our Hunter Valley farm over more than a century will be brought into practice in Victoria.

Our staff are selected and trained in the Widden way and our team, whether they call Victoria or the Hunter Valley home, will ensure the horses in their care receive only the very best, enabling our clients to place their trust in our experience and extensive track record of success.

A superbly appointed farm with spacious, safe paddocks, Widden Stud Victoria is the perfect location from which to base mares for the Victorian breeding season.

We will offer the full suite of bloodstock services going forward, from covering mares and foaling down right through to weaning, sales preparation, breaking in and pre-training and look forward to discussing how we can best meet your needs.

Widden Stud Victoria, in collaboration with renowned horseman Matt Upton, are delighted to introduce our complete pre-training and spelling facility, available to both home and offsite clients.

With years of experience in harnessing the best results from young thoroughbreds, Matt's resume comprises a formidable list of patrons, including Peter Sidwell of Sutton Grange, Robbie Laing, Andrew Noblet, David Moodie's Yungaburra and, most recently, a decade at Woodside Park. Expertise of this nature is a rare find and there's no doubt that Matt will make a meaningful contribution to the success of Widden Victoria's pre-training division.

Located just 50km from Flemington (an easy 45 minute float ride), interested parties will be able to avail themselves of the modern facilities at Widden Victoria, including a high speed treadmill, water walker, 1600m sand track and starting gates – convenient for trainers from the surrounding area.

The resources on offer will cater for both breaking and spelling. The lush pastures and spacious, tree-lined paddocks are the ideal location to freshen up or recuperate horses that are in need of time as well as educating those embarking on their racing careers.

Matt's philosophy is based on his understanding of the fundamentals of starting young horses, taking both mental and physical soundness into consideration before they commence racing full time. Schooling and conditioning form the foundation of producing confident, well-balanced racehorses who train on to become champions and Widden Victoria will provide the perfect nursery from which to build this.

His gentle nature and impressive horsemanship skills have seen Matt mould countless young thoroughbreds into racehorses. His hands-on approach to breaking in and eye for detail will provide clients with the peace of mind to entrust their racing prospects into his care.

Give your horses the headstart they deserve to become the elite equine athletes they were bred to be. Contact Widden Victoria to discuss suitable pre-training options that best meet the individual needs of your horse, based on their fitness, ability and temperament, enabling them to realise their full racing potential.

Expanding the Widden brand interstate was not a decision taken lightly and a great many details were considered before proceeding, not the least of which was the team with whom we would be embarking on this journey.

We are encouraged by the establishment of a well-credentialed staff complement who not only contribute a wealth of knowledge and experience in their own right, but have also demonstrated an adaptability and willingness to embrace the 'Widden Way' under the leadership of our existing executive team.

Prospective supporters and current clients requiring services in Victoria can rest assured that the level of professionalism and efficiency that is synonymous with Widden's Hunter Valley home will be emulated by the Victorian branch.

The principles and practices on which we have built Widden Stud will be reinforced by the Victorian team, with a focus on cultivating an environment where the thoroughbreds in our care and our loyal supporters are guaranteed to receive world-class bloodstock and agistment services.

A combination of established Widden procedures and principles, fresh innovation and the collaboration of an exceptional team form the foundation of this new venture.
