Widden Dominate on Track and in Sale Ring

THE WIDDEN STUD BRAND HAS BEEN SYNONYMOUS WITH SUCCESS FOR GENERATIONS, but at sale time it's all about what's happening right now as buyers seek out new trends and recognise the power of a proven track record.

WIDDEN
VALLEY OF CHAMPIONS

The 2021 sale season was a memorable one for Widden Stud with our SNITZEL colt from stakes-winner Bonny O'Reilly topping the Gold Coast sale when fetching \$1.9 million to the bid of Tom Magnier and we also achieved a seven figure result with our ZOUSTAR colt from Fuddle Dee Duddle that made \$1 million when secured by Victorian Alliance/ Suman Hedge B'Stock (FBAA)/David Redvers Bloodstock.

The Snitzel colt has been named BASQUIAT and given to Chris Waller to train, but is yet to trial or race, while the Zoustar colt named BRERETON has made the perfect start to his racing career winning the Group 3 VRC Maribyrnong Plate.

Brereton is one of four stakes-winners this season consigned as yearlings by Widden Stud joining Swift Witness, Blue Army and Daisies with Black Type placings also for Madam Rouge, Our Playboy, Ironie Miss, Star of Chaos, Embracer, Battleton, Biscayne Bay and Amish Boy.

Their success has put Widden Stud at the head of Breeding and Racing's Black Type Premiership for the 2021/2022 season, a great guide to highlight which farms are consistently getting the right results where it counts on the racetrack.

Our Gold Coast consignment for 2022 is again packed with quality and more than two thirds of the draft is sired by our own stallions Zoustar, Nicconi, Star Witness and the exciting newcomers Trapeze Artist and Written By.

Come and find your future champion at Rows C, D and E where warm hospitality and cool refreshments make yearling inspections a breeze!

Trapeze Artist and Written By – New Beginnings

EXACTLY 10 YEARS AGO, Widden Stud launched the stud careers of two exceptional sons of champion sires at the 2012 Magic Millions where the first yearlings by SEBRING and NORTHERN METEOR took centre stage.

As brilliantly fast Group 1 winning sons of More Than Ready (USA) and Encosta de Lago, the dynamic duo packed a powerful punch in terms of on paper credentials and as time has gone on their achievements have matched and surpassed expectation.

"Sebring and Northern Meteor have set a high standard, but TRAPEZE ARTIST and WRITTEN BY fit the profile for success that we have found works for us," said Antony Thompson.

"Trapeze Artist is a four-time Group 1 winner and Champion 3YO Sprinting Colt that won \$5.5 million making him the highest stake earning colt by champion sire Snitzel and his second highest stakes earner overall behind only two time Everest winner Redzel.

"Written By is the first Group 1 winning 2YO colt by reigning

champion sire Written Tycoon since Capitalist and was the Champion 2YO Colt of his generation."

Trapeze Artist and Written By are very different in appearance, just as Sebring and Northern Meteor were, but each has produced an exceptional line of yearlings clearly stamped in the image of their respective sires.

"Trapeze Artist is a very attractive dark bay or brown individual with a prominent blaze and many of his stock are easily recognisable, while Written By is very true to the Written Tycoon type and that is clearly reflected in his yearlings," Thompson said.

Many of the country's most successful breeders have embraced Trapeze Artist and Written By, with both stallions represented by significant Magic Millions drafts consigned by multiple farms.

Trapeze Artist has 33 entries presented by 18 different vendors and Written By has 22 presented by 13 different vendors.

Nicconi Setting the Pace

AS WE MOVE INTO 2022, WIDDEN STUD STALWART NICCONI has opened up a lead on the Australian General Sires List producing the winners of over \$11 million in prizemoney with the lion's share produced by two remarkable Group 1 winning sprinters.

The mighty NATURE STRIP has won everything a sprinter can win in Australia with his courageous victory in the \$15 million The Everest last October proving the icing on the cake and just for good measure he also returned to Flemington to score a facile win in the \$2 million Group 1 VRC Darley Sprint Classic.

Trained by Chris Waller and ridden by James McDonald, Nature Strip has built a formidable record with 19 wins and six placings from 34 starts yielding over \$16 million in prizemoney.

The only thing left for this sprightly seven year-old to conquer is Royal Ascot and that last frontier may well be challenged in 2022.

West Australian owner breeders Bob and Sandra Peters have bred a lot of outstanding horses, but possibly none faster than four year-old Nicconi mare GRACEFUL GIRL, who blasted

her rivals with a freakish last to first win in the \$1 million Group 1 WATC Winterbottom Stakes.

With six wins and four placings from 11 starts and over \$800,000 in prizemoney, the ride is just beginning for the Grant and Alan Williams trained Graceful Girl and if we know one thing about Nicconi sprinters it's that they only get better with age!

Nicconi has a dozen entries for Magic Millions with Widden Stud to offer the half-sister to Group 2 ATC Reisling Stakes winner Glistening from Group 3 winner Beethog as Lot 787.

Zoustar Powering Ahead

NORTHERN METEOR'S CHAMPION SON ZOUSTAR continues to churn out elite stakes performers with 2021 proving another super successful year with 13 stakes-winners (12 in Australian and one in HK) led by Group 1 VRC Newmarket Handicap winner ZOUTORI, a winner of \$1.9 million in prizemoney.

The honour roll included a further seven Group winners including \$1 million Magic Millions purchase BRERETON, an exciting two year-old colt that won the Group 3 VRC Maribyrnong Plate at Flemington during the spring for the Victorian Stallion Alliance partners.

Zoustar also has two top class three year-olds to fly his flag in the autumn in quality colt LIGHTSABER, who was fourth in the Group 1 MRC Caulfield Guineas and untapped

ZOUZARELLA, a luckless eighth in the Group 1 MRC Thousand Guineas after earlier winning the Listed MVRC Atlantic Jewel Stakes at just her second start.

Zoustar has an exceptional crop of yearlings for the 2022 yearling sales conceived in the year in which his fee rose from \$60,500 to \$154,000 on the back of overwhelming success on the racetrack and in the sale ring.

He has some 50 entries for Magic Millions including nine that will be offered by Widden Stud highlighted by a three-quarter sister-in-blood to Group 3 winner Zoustyle and yearlings from stakes-winners Fox Swift, Hear the Chant, Lucy Mae, Quayside, Summer Girlfriend (USA), Summer sham and Velalay, whose I Am Invincible yearling filly last year sold for \$1.25 million.

Exciting First Winner for Supido

ANOTHER YOUNG WIDDEN STUD BASED SIRE IN SUPIDO is off the mark with his first winner after talented colt STUPENDO made a winning debut at Flemington in December bringing a great pedigree update for his Magic Millions bound half-brother.

Sent out equal favourite along with his stablemate Hell Hath No Fury, Stupendo did everything right in the run to travel strongly all the way for Craig Williams before kicking clear near home.

Although tiring late, he had enough left to win the 1000m dash by half a neck showing the sort of promise that will have his trainer Danny O'Brien considering stakes goals

- STUPENDO as a yearling -

as the season unfolds.

A \$120,000 Magic Millions purchase for O'Brien from the Widden Stud draft, Stupendo was the second highest priced yearling from the first crop of Supido.

Bred by Widden Stud in partnership with Adam Lennen, Stupendo is a half-brother to stakes-winner ABSOLUTE FLIRT and is the second winner from winning Northern Meteor mare BISUTTI, a half-sister to stakes-winner PRESSING, who is by Supido's sire Sebring.

Widden Stud will offer the current yearling from Bisutti, a colt by Trapeze Artist at Magic Millions as Lot 807 and she has foaled again this spring producing another colt by the same sire.

A fast straight track sprinter by the late Sebring, Group 3 winner Supido has yearlings catalogued for upcoming sales at the Gold Coast and in Sydney.

- ANDERS -

- RUSSIAN CAMELOT -

Young Guns in Demand

WIDDEN STUD INTRODUCED THREE NEW STALLIONS IN 2021 with ANDERS launching his new career at headquarters in the Widden Valley covering 180 mares, while RUSSIAN CAMELOT (IRE) and DOUBTLAND settled into Widden Stud Victoria both covering 140 mares.

Pensioned in 2020, Not a Single Doubt has enjoyed phenomenal success as the sire of 79 stakes-winners worldwide of over \$144 million with 15 Group 1 winners highlighting his achievements.

"The burgeoning success of his sire son Extreme Choice has made colts by Not a Single Doubt hot property and we are thrilled to be a part of this emerging branch of the Redoute's Choice sire dynasty with both Anders and Doubtland covering quality books that will ensure every opportunity for future success," said Antony Thompson.

Giving breeders the opportunity to produce classic horses of the future, Russian Camelot

brought the very best of European blood to Victoria being a dual Group 1 winner by Epsom Derby hero Camelot, who has proven a great favourite for Australian buyers purchasing both tried horses and yearlings out of Europe.

"Russian Camelot was purpose bought as a yearling from the UK to race in Australia and delivered the goods in spectacular fashion winning a Derby at three and proving an elite Group 1 WFA performer at four, despite the disadvantage of his Northern Hemisphere birthday," Thompson pointed out.

"He has let down into a magnificent stallion and we hope he can fill that gap in the market that is driving a growing number of Australian buyers to look overseas when sourcing classic and Cups prospects."

Widden Stud look forward to the arrival of first foals by Anders, Doubtland and Russian Camelot in spring 2022.
