THE VALLEY OF CHAMPIONS – SINCE 1867

A glorious history of past success has made Widden Stud one of the best known brands in Australian racing and breeding – and the future offers a wealth of opportunity as we continually seek to improve and enhance one of the great thoroughbred breeding farms of the world.

Geography and Mother Nature have bestowed tremendous natural gifts on Widden, producing a unique environment for the raising of young thoroughbreds.

Located on 9000 acres of spectacular horse country in the Widden Valley, our farm features rich alluvial creek flats sheltered by magnificent sandstone cliffs providing pristine and tranquil surrounds.

The long list of Champions and Stakes-winners foaled and raised in these fertile paddocks includes modern day champions such as Australian Horse of the Year Dissident, this season's dual Group 1 winner Duais and Champion 3YO Sunlight, whose full brother was sold by Widden Stud for \$3 million at Inglis Easter Yearling Sale this year to Tom Magnier.

This exceptional colt was the most expensive yearling sold in Australia during a record breaking 2022 sale season and we look forward to following his progress.

The power of our stallions is the lifeblood of Widden and this year we introduce Deep Field's Group 1 winning son Portland Sky and the very exciting young stallion Rebel Dane, who is already the sire of this year's Golden Slipper winner Fireburn.

Our decision to expand into the Victorian market has been well received and we look forward to developing this new business and building the lasting relationships with our new clients for which Widden Stud is renowned.

EXTRAORDINARY ERA

The 2022 Australian yearling sale season has exceeded all expectations with every major sale achieving record breaking results in terms of average and aggregate.

Widden Stud have been at the forefront of that success selling 41 yearlings at Magic Millions Book 1 for \$14.125 million, highlighted by our Zoustar colt from Summer Sham that made \$1.25 million when secured by Rosemont–Victorian Alliance / Suman Hedge Bloodstock / David Redvers Bloodstock.

We also sold a lovely Lonhro filly from Cool Passion at the Gold Coast for \$1,050,000 to Sheamus Mills Bloodstock.

At Inglis Easter, we sold 21 yearlings for \$10.345 million with Sunlight's \$3 million brother topping the sale when bought by Tom Magnier, while we also sold a Fastnet Rock filly from Sword of Light for \$1 million to Aramco Racing / Rick Connolly Bloodstock / MG Price Racing & Breeding.

Widden Stud also sold 38 yearlings at Inglis Classic for \$4.455 million and a further 27 at Inglis Premier for \$5,322,500, highlighted by the sale-topping I Am Invincible colt from Fine Bubbles which was bought by Tom Magnier for \$950,000.

We took great satisfaction from being the leading vendor by aggregate at Inglis Premier, providing a great result for our clients in our first year of operation down south.

Widden Stud sold yearlings across a broad price range and we look forward to following the achievements of this next generation of stars from the Valley of Champions.

BORN, BRED AND RAISED - JT2

Foaled and raised in the Widden Valley is a time honoured recipe for stakes success and our JT2 brand is carried by some of the best current stars in the land.

A perfect mix of environment and skilled horsemen and women ensure our foals have every opportunity to grow and develop into the racehorses we all want to own.

Physically and mentally, these young thoroughbreds leave the Widden Valley well prepared for the next stage of their lives and we take great pride in their achievements.

Sire power is a big part of our success and many champions have been conceived at Widden.

WIDDEN SIRE POWER

Seeking out the best stallion prospects is a process born of passion that involves more than the evaluation of pedigrees, race records and conformation. It is invariably a combination of factors and Widden have been at the forefront of acquiring some of the best and most promising sire power in recent years.

Identifying a horse able to add quality, depth and a speed profile is the proven criteria Widden employs for stallion selection. These qualities garner early support and attract an elite book of mares, providing a solid foundation for stud success.

The 2022 roster features a host of stallion power, versatile in nature and capable of meeting a broad range of needs. Given the emergence of noteworthy juveniles and the recent exploits of the stars pictured, Widden's future as a pre-eminent source of top Australian sires looks set to continue.

He’s a particularly good looking horse and history says these colts, that excel in open company, have the ability to become great sires.” – Matt Laurie, Trainer

“He’s a proper colt, this guy. ‘Cause when you said let’s go, didn’t he sprint!”

– Jason Richardson, after Oakleigh Plate

WIDDEN VICTORIA – FORGING AHEAD

Expanding into the Victorian market has been a rewarding experience for Widden Stud and with a burgeoning stallion roster and impressive sale results at Victoria's flagship Inglis Premier Yearling Sale, we have established the seeds of future success.

Proven Group 1 producing sires Nicconi, Magnus and Star Witness will all sire over 100 winners this season and offer broodmare owners a second to none chance of producing a winner of their own.

We have high hopes for our younger stallions with great anticipation surrounding the arrival of first foals this spring for Russian Camelot and Doubtland and also new addition, Dirty Work, who along with Overshare and Gold Standard, join us this season coming from Hesketh Thoroughbreds (formerly Spendthrift).

These stallions have had a great start at Spendthrift and we look forward to being a part of their success going forward.

This season alone he has sired 23 individual winners at 2000m or above, just shy of Dundee and more than So You Think, Pierro and Savabeel. With over 100 individual career winners from 1000 to 1600m to his name, the versatility he offers breeders is well demonstrated.
